Vyva Fabrics introduceert de nieuwe collectie Glade, gemaakt van een prachtige, zachte velours, die bij uitstek geschikt is voor de bekleding van meubels. Dankzij het warme, intense en tijdloze kleurenpalet past Glade in elk interieur, modern en klassiek.

De veelzijdige collectie bestaat uit een geheel effen variant, de Glade Smooth, een versie met een doorgestikt ruitvormig motief, de Glade Stitch, en de Glade Stamp, met een mooi reliëfpatroon. Glade Smooth en Stamp zijn er in maar liefst zesentwintig verschillende kleuren, Glade Stich is verkrijgbaar in elf tinten, van klassiek Aspen Green tot neutraal en tijdloos zandkleurig Shore.

De stoffen hebben een lichte glans, een luxe, rijke uitstraling en zijn tegelijkertijd sterk en praktisch, dus makkelijk te onderhouden en duurzaam. Deze meubelstof is slijt- en kleurvast, vocht- en vlekbestendig en kreukt, krimpt of pluist niet.
