*This term and any corresponding data refer to the typical performance in the specific tests indicated and should not be construed to imply the behaviour of this or any other material under actual fire conditions.

FINISHES AND TREATMENTS

Exclusive water repellent finish

REVERSIBLE

Can be used both sides

CARE AND CLEANING 

For optimum care and cleaning please read the following instructions and recommendations.

Cleaning instructions

Brush off dirt before it becomes embedded in the fabric and wipe up spills or clean soon after a stain occurs. The quicker you clean spills and stains, the easier they can be to remove.

- Blot (don't rub) liquid spills with a clean, dry cloth.
- For oil-based spills, apply an absorbent such as corn starch, then remove with a straight edge.
- Spray on a mild cleaning solution of soap (such as Dawn or Woolite) and water.
- Rinse the fabric thoroughly to remove all soap residue.
- Air dry.

Tex'Aktiv Clean: Deep-acting, Powerful stain remover.

Tex'Aktiv Guard: Stain protection, Beading effect.
