NAUTIFLOOR

LONSEAL MARINE FLOORING

Nautifloor is a PVC floor covering with a teak effect, only 2mm thick for indoors and outdoors. Nautifloor is not designed only for water sports, it can also be used in hotels, restaurants, shops and houses.

Unlike vinyl floors with paper or felt backing, Nautifloor is produced with a stable backing that will not tear even in extremely warm or cold temperatures.

Nautifloor is flexible, 100% waterproof and extremely wear resistant. In addition, the material is stain resistant and Nautifloor has excellent non-skid properties. The material is extremely durable and has high fire-retardant properties (IMO A652).

Application:
Commercial as well as recreational for boats, caravans, cars, houses, swimming pools, gardens, shops and event halls.
